

Racing Series

DECIDE. COMMIT.
SUCCEED!

Saturdays 9:00 am

Don't let your training suffer in the off months! Train all year! This new and innovative series will allow you to keep running all year long. The course will be adjusted for each race to provide some variety in the runs that will take place around the New Richmond community. This is open for youth as well with our 1 mile youth run. Each leg of the series will be 5K and you can run or walk. You do not need to be a Centre member to participate.
